S

Welcome back, Alex

We recognized this number from your personal Uber. Uber One can now use the same account for business rides — your ride history stays private.

Confirm your work email
sai@acecorp.com — required for expensing and trip AI

Your personal rides stay yours
Uber One only sees trips tagged as business. Your history, payment, and favorites remain private.

Connect your calendar

Uber AI reads your upcoming flights, hotels, and meetings to automatically build your complete door-to-door ground transport plan. Every ride, timed and ready — so you never have to worry about traffic delays or last-minute flight changes.

Read-only access
We only look for travel events. Never write or change anything.

Never stored
Events are processed in real-time and never saved to our servers.

Revoke anytime
Disconnect instantly in Settings whenever you want.

Uber

"Uber" Would Like to Access Your Calendar

We will: read event titles, times, and locations to find travel plans

We won't: store event data, share with third parties, or modify your calendar
